

IMPORTANT NOTICE

A DEP Tier I Regulation, effective May 2010, mandates that water companies have the ability to personally notify all of their customers within 24 hours in the event of an emergency. A Tier 1 Emergency would cause adverse health effects as a result of short-term exposure.

The Richland Township Water Authority would contact you by phone and e-mail address (if available) in the event of such an emergency. In order to accomplish this, we will need you to provide this information.

Please fill out the form below and return it to our office, or you can provide your information by e-mail: dianne@richlandwaterauthority.org or call 215-536-4733.

Thank you for your cooperation.
